

RETURN TO PLAY

EVENT GUIDELINES

Welcome to Baseball Heaven! As we return to play, our Kids First philosophy extends out to everyone who visits our facility. Our priority is ensuring the health and safety of our athletes, families, friends, coaches, officials and staff members. In order to accomplish this, everyone must do their part to return to play responsibly by learning and following our new ground rules.

THE COMMON FIVE

- **Hand Washing** – We recommend you wash your hands often, and when soap and water is not available, we have hand sanitizer placed throughout the facility for your frequent use.
- **Social Distancing** – Please always maintain at least 6 feet between you and others, following all posted signage throughout the facility.
- **Face Coverings** – We recommend all guests to wear masks or face coverings while outside the field of play and where social distancing practices cannot be maintained.
- **Cleaning & Disinfecting** – Please be patient as our staff performs more frequent cleaning and disinfecting. Help do your part by keeping your area clean and disposing of trash.
- **Health Monitoring** – Anyone experiencing COVID-19 symptoms should **STAY HOME** and contact a local health care facility immediately. **STAY HOME IF YOU ARE NOT FEELING WELL!**

BASEBALL HEAVEN STAFF

- Every Baseball Heaven staff member is health screened daily with temperature checks before entering the facility.
- Staff members have been trained to properly use PPE (Personal Protection Equipment), including masks/face coverings and gloves, while at the facility and assisting customers.

ENTERING & EXITING THE FACILITY

- All patrons must wear masks when entering and exiting the facility and wherever social distancing cannot be achieved.
- Please bring your own seating as some of the field side seating, outdoor tables and other dining area seating will be closed or limited. Please observe all social distancing rules.
- Baseball Heaven will have signs posted throughout with regards to face coverings (ex. Cover nose and mouth), proper hand hygiene, cough etiquette, social distancing, symptom reporting and markings on walkways directing patron foot traffic.
- Hand sanitizing stations are located by each set of fields and throughout the facility. However, all patrons or families are encouraged to bring personal hand sanitizer.

SCHEDULING

- Event schedules and information will be communicated digitally through the Tourney Machine app available on Apple and Android, social media, email and BaseballHeavenLI.com.
- Game start times will be staggered, and we recommend teams not arrive more than 45 minutes prior to game time. There will be 10 minutes in between each game to allow the maintenance staff to clean and disinfect each dugout.

PRE-GAME

- Home plate meetings will be limited to the umpire and one (1) coach from each team. All must practice social distancing and wear a mask.
- Teams should use their own set of baseballs or softballs for warm-up.
- Bat bags must be placed inside the bullpen either on the ground or on the fence, six feet apart.

DURING THE GAME

- All participants in dugouts, including coaches, must wear a mask or face covering. Everyone's safety is our primary concern.
- We encourage patrons to bring personal chairs.
- Participants inside the field of play are not required to wear a mask or face covering but may do so as desired. Outside the field of play and inside the dugouts, masks or face coverings must be worn by individuals not directly engaged in the game where social distancing can't be achieved.
- Umpires are encouraged to keep a safe distance from players and coaches as much as possible.
- Base coaches should stay socially distanced from base runners and others as much as possible.
- **Coaches are required to wear a helmet while coaching the bases. (No sharing of helmets.)**
- If a coach has a question for the umpire the coach **IS NOT** to cross the foul line to ask the question. The coach will go to the foul line and ask to speak with the proper umpire, and the coach and umpire will both discuss with a mask on. **NOTE:** If a coach is to run out on to the field to approach a game official, that coach will be immediately ejected.
- Baseballs will be provided by the team on defense. Umpires will not handle baseballs.
- Team meetings at the mound will be limited to only one (1) coach, and a mask or face covering is required.
- NO sharing of equipment. If equipment (such as catcher's gear) is shared, a coach must properly disinfect the equipment prior to the next participant's use.
- NO sharing of water, and there will be NO community water cooler in the dugouts. Parents should send their player(s) with a personal water bottle, labeled or marked with their name.
- Teams should not share any snacks or food. If needed, players should bring individual, pre-packaged food.
- NO sunflower seeds, peanuts in the shell or gum allowed in the facility.
- NO spitting inside the facility.
- NO high 5s and handshaking.

POST-GAME

- In lieu of traditional handshaking lines, each team will line up on their respective foul line, tip their caps to the opposing team, the umpires and then to the fans.
